Oowee Editions Allergen Information	Celery	Gluten	Crustaceans	Eggs	Fish	Lupin	Milk	Molluscs	Mustard	Nuts	Peanuts	Sesame	Soya	Sulphites

Below is our allergen information so that you can make informed choices about the dishes you order. Whilst every effort is made to minimise contamination our ingredients are produced and our dishes prepared in environments where allergens are present. We cannot therefore guarantee that any items on our menu are allergen-free. Where a dish 'contains' one or more allergens, this is where they are present as an intentional ingredient. Where a dish 'may' contain an allergen, this is where our supplier has told us that the ingredient is produced in a factory where this allergen is handled, or where there is a risk of cross-contamination from shared equipment or ingredients in our kitchen. We use a butter containing almonds (Naturli Cater Block) in our kitchen, so all our dishes may contain nuts. The ingredients within our dishes which are deep-fried will be cooked in the same fryers as other ingredients which may contain allergens and there may be a risk of cross contamination. Please check the allergen information every time you visit our restaurant because we may have changed the recipe or the ingredients of one or more of our dishes.

Key: Y = contains (intentional ingredient) M = may contain (risk of cross-contamination from our suppliers or from shared equipment in our kitchen)

* Gluten and Soy on all fried items over declared due to contamination

** May contain Milk, Soya, Celery, Mustard, Gluten & Sulphites on all products with Oowee dusting

‡ All our shakes are made on the same machine as our Nutella shake, so they are not suitable for anyone with a nut or peanut allergy.

† Peanut Butter Bacon is made with WOWBUTTER (a peanut-free toasted soya spread) mixed with Naturli plant-based butter, which contains almonds. It contains no peanuts, but does contain almonds and soya.

Nuts: we use a butter containing almonds (Naturli Cater Block) throughout our kitchen, so all dishes may contain nuts.
